Goals

The member serving in this role will give the necessary boost to significantly increase the number of families our affiliate is able to serve through our Homeownership and Neighborhood Revitalization programs. With the assistance of the AmeriCorps member serving in this role, we anticipate completing 3 new builds, 1 rehab, and up to 20 Home Repair projects during the 2020-21 term, with a total of at least 24 families served. We also anticipate several community events to occur which will utilize the member to spread the word about our programs and encourage community members to get involved as volunteers on our work sites or to apply to be partner families. A secondary goal of this position is to have at least 1 volunteer trained to be a skilled volunteer group leader in each of our program areas. We view the construction crew leader as integral to our goals of building more homes and better neighborhoods and communities throughout our service area.

Outputs

*Measurable targets must be included and should be classified **per member**. Please use the shared outputs below, inserting the appropriate number in the left-hand column or "0" if not applicable. These outputs may **not** be adjusted; the wording must remain as is for reporting purposes.*

400	Volunteers will be recruited and/or managed by the AmeriCorps member in the building, rehabilitation or repair of homes. (Repairs include A Brush with Kindness, weatherization, critical home repair.)
------------	---

24	Homes will be built, rehabilitated or repaired in partnership with low-income families and individuals by the AmeriCorps member and volunteers. (Repairs include A Brush with Kindness, weatherization, critical home repair.)

Responsibilities

- Assist with hands-on construction tasks including, but not limited to, demolition, site prep, framing, insulation, drywall, flooring, roofing, finish carpentry and landscaping. Projects may include new and gut rehab homes as well as A Brush with Kindness, critical home repair and weatherization projects.
- Lead small groups of volunteers, ensuring that they are well-employed while on the work sites.
- Use volunteer management techniques to facilitate positive experiences for volunteers and homeowner families working on site.
- Collaborate with construction staff to identify skilled, enthusiastic volunteers, cultivating their involvement in Habitat's work (i.e. encourage them to considering being trained as regular site leaders and/or returning volunteers).
- Maintain site safety by modeling best practices and guidelines, volunteer education and site monitoring. Attend safety trainings with construction staff.
- Provide on-site orientations and safety talks to groups of volunteers and homeowner families.
- Help with materials management on site and at the local Habitat warehouse and storage trailers. Pick up and organize materials needed for projects.
- Set up and cleanup project sites.
- Maintain site logs for each project completed for supervisor to assess progress and next steps.
- Participate in regular planning and debriefing meetings as needed.
- On occasion, member may participate in larger community projects, such as lot cleanups, community gardens, etc.
- Attend and participate in select Habitat organization events; responsibilities may include set up, clean up and engaging with attendees, informing them about the AmeriCorps program, our Habitat organization's mission, Neighborhood Revitalization programming, and how to become a volunteer or homeowner family.

Required meetings, trainings and events

Minimum expectations are outlined below with the understanding that further trainings may be required, as determined by the host site, Habitat for Humanity International or the Corporation for National and Community Service.
